Giving Back to Our Community
This Holiday Season

Is a Heating Service Plan
Really Worth It?

Thank You to Our
Customers and Team

To Our Neighbors and Friends,

Another year is coming to a close, and we want to extend our gratitude for your continued support throughout 2025. It's been a wonderful year for Snow's, and we're excited for what's ahead in 2026.

This year feels especially meaningful as we welcomed the newest members and generation of the Snow's family—Lainey and Nellie—who have stolen everyone's hearts.

Thank you for being part of our community. We hope you have a fantastic holiday season, and we look forward to serving you for years to come.

SNOW'S SPOTLIGHT: PROPANE COMFORT ON THE CAPE

Propane is one of the safest and most reliable energy sources available, providing consistent comfort no matter the season. Its versatility makes it ideal for keeping your home running during the winter months and beyond.

- ✓ **Home Heating:** Propane delivers powerful energy-efficient heat that keeps every room comfortable.
- ✓ **Backup Power:** Propane-powered generators provide dependable energy during outages, ensuring year-round peace of mind.
- ✓ **Home Appliances:** From water heaters to clothes dryers, stoves, and fireplaces, propane can fuel so many areas of your everyday life.

You can count on Snow's for all your propane needs, including deliveries, equipment installations, repairs, maintenance, price plans, tank monitors, and more. Learn about our services at snowsfuel.com/propane/ or give us a call **(508) 255-1090**.

GIVING BACK TO OUR COMMUNITY THIS HOLIDAY SEASON

The holiday season is an important time to recognize the needs within our community and give back where we can. We've worked with our local Council on Aging, The Crosby Mansion, and the Orleans Fire Department to make the Lower Cape a better place to live. Check out some of the other organizations Snow's supports:

The Family Pantry of Cape Cod

Since 1989, their mission has been to provide food and clothing to all in need.

THANK YOU TO OUR CUSTOMERS AND TEAM

We're grateful for our loyal customers and the dedicated employees who make Snow's success possible. Their hard work and commitment, as well as the feedback we receive from our customers, remind us why we do what we do.

Here's What a Few Customers Had to Say

"We noticed paint peeling around a few of our upstairs ceiling vents. Jeff, a Snow's service technician, did an incredibly thorough examination of all the heat and air conditioning units and filters throughout the house. He discovered that the filters were clogged with mold, which caused condensation around the vents. He spent about three hours inspecting and fixing the problem. We recommend him highly and are grateful to have a knowledgeable, competent, and conscientious HVAC technician to service our home in the future." - Anne M.

"Kevin did a great job coordinating the installation of my new gas furnace and the removal of the old oil tank and furnace. They were neat, the installation was done in jig time, and they did a great job. I had a small issue last Christmas Eve night, and Kevin was on it; on his birthday, no less. He contacted Mark, the electrician, who was at my house within an hour, if not less. Mark was great, the issue was corrected quickly, and my Christmas was warm as a result. I wouldn't go with anyone else." - Sean D.

"I was very pleased with the polite, efficient work done by Miles and David. They replaced my two older thermostats with new smart ones. It took less than half an hour, and they cleaned up every bit of dust created." - Robin H.
